Commercial Support

This meeting is supported, in part, through a restricted medical education grant from Mead Johnson Nutrition.

The Pediatrix Center for Research, Education, Quality and Safety thanks those companies participating in the commercial support of its educational activities. However, our appreciation does not imply endorsement or encouragement of the use of products manufactured or services provided by participating companies.

Overview

NEO: The Conference for Neonatology addresses cutting-edge, yet practical aspects of newborn medicine. Educational sessions are conducted by many of the foremost experts, who address neonatal-perinatal topics for which they have become renowned. This educational activity provides valuable clinical information for participants to bring back to their NICUs to improve the care that they provide infants in their units. NEO was designed for participants to better understand and utilize the leading approaches to neonatal intensive care addressed in the sessions.

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME credit or nursing contact hours for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
