

Ethical Considerations in the Care of the Extreme Premature Infant Webinar

Internet Live Activity

Date: 12/04/2024

Time: 04:00 – 05:00 p.m. Eastern

Location: Live Webinar (hosted via GoToWebinar)

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *nursing contact hour*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Jonathan Fanaroff, MD, JD, faculty for this educational activity, has the following relevant financial relationship(s) with ineligible companies to disclose: Stocks or stock options, excluding diversified mutual funds-Monogram Orthopaedics, Inc. *FDA Disclosure(s)*: none reported.

Timothy Biela, MD, Nicole Brenson and Jaya Sariga, NNP-BC, planners of this educational activity, have no relevant financial relationships with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

There is controversy in neonatology about the appropriate approach to the management of extremely premature infants. This activity is designed to provide health care professionals with updated information and tools for working with families faced with this difficult clinical situation. At the conclusion of this activity, learners will implement at least one strategy to improve communication with families of NICU patients.

Objectives

At the conclusion of this activity, the participant will be able to:

- List the four basic principles of pediatric ethics.
- Discuss how viability is defined from both a legal and ethical perspective.
- Identify the challenges that arise when caregivers and parents disagree on care for infants at the edge of viability.

ACGME/ABMS Competencies

- Interpersonal and Communication Skills
- Professionalism

IOM Competencies

- Provide Patient-Centered Care

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME credit or nursing contact hours for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
