High Risk Neonatal Nursing Course

Internet Live Activity

Date: 11/16/2026 – 11/17/2026
Time: 8:00 – 5:00 PM CT
Location: Live Webinar (hosted via Zoom)

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 15.25 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Josephine Danielson, RRT, Christie Sawyer, NNP and Patti Scott, NNP, faculty for this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose. *FDA Disclosures*: None to report.
Jaya Sariga and Nicole Brenson, planners of this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

The High-Risk Neonatal course is a two-day course that covers the Tennessee Perinatal Educational guidelines, and discusses the diseases seen in the NICU along with the pathophysiology and care associated with those diseases for neonatal health care professionals. This course is designed for nurses and respiratory therapists taking care of babies in Level II and Level III NICUs. At the conclusion of the activity, learners will integrate into clinical practice at least one strategy or technique to provide stabilization and ongoing care to at-risk infants in the unit.

Objectives

At the conclusion of this activity, the participant will be able to:

- Discuss the most common diseases noted in the moderately and critically ill newborn - including risk factors, pathophysiology, diagnosis, and treatment.
- Explain the common neonatal surgical emergencies and the management.
- Describe the nursing responsibilities for each of the diseases discussed in this population.

IOM Competencies

- Provide patient centered care
- Employ evidence-based practice
- Apply quality improvement

Evaluation, Attendance and Credit:

Within https://pediatrix.cloud-cme.com, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive nursing contact hours for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
