

The Risks and Complications Associated with Acute Kidney Injury in the Preterm Infant Webinar

Internet Live Activity

Date: 09/04/2024

Time: 04:00 – 05:00 p.m. Eastern

Location: Live Webinar (hosted via GoToWebinar)

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *nursing contact hour*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Jonathan Swanson, MD, MSc, faculty for this educational activity, has the following relevant financial relationship(s) with ineligible companies to disclose: Speakers Bureau-Prolacta Bioscience, Inc; Consulting Fee-Aerogen Pharma Limited; Grant or research support-Aerogen Pharma Limited, Radiometer Medical ApS, United Therapeutics, Inc, Gravitas Medical, Inc. *FDA Disclosure(s)*: discussion of off-label use of caffeine citrate.

Timothy Biela, MD, Nicole Brenson and Jaya Sariga, NNP-BC, planners of this educational activity, have no relevant financial relationships with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

Appreciation of neonatal acute kidney injury (AKI) and its associated complications and long-term issues is not well understood in the NICU. This presentation will provide evidence for diagnosis and treatment of AKI as well as generate ideas to improve the care of NICU patients with AKI. At the conclusion of this activity, learners will critically review the current kidney health workflow in their unit to improve the care and outcomes of NICU patients with AKI.

Objectives

At the conclusion of this activity, the participant will be able to:

- Identify patients who are at high risk of developing neonatal acute kidney injury (AKI).
- Discuss the role AKI plays in short and long-term patient outcomes.
- Examine ways of implementing changes to workflow to improve the care of NICU patients regarding kidney health.

ACGME/ABMS Competencies

- Patient Care & Procedural Skills
- Medical Knowledge
- Systems-based Practice

IOM Competencies

- Provide Patient-Centered Care
- Work in Interdisciplinary Teams
- Employ Evidence-based Practice
- Apply Quality Improvement

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME credit or nursing contact hours for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
