

Evidence-Based Diagnosis and Phenotype Classification in Bronchopulmonary Dysplasia Webinar

Internet Live Activity

Date: 10/04/2023

Time: 04:00 – 05:00 p.m. Eastern

Location: Live Webinar (hosted via GoToWebinar)

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *nursing contact hour*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Erik Jensen, M.D., MSCE, faculty for this educational activity, does not have any relevant financial relationship(s) with ineligible companies to disclose. *FDA Disclosures*: none reported.

Timothy Biela, MD, Nicole Brenson, Jaya Sariga, NNP-BC, planners of this educational activity, have no relevant financial relationships with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

The epidemiology and diagnostic classification of BPD changes with evolution of neonatal care. This presentation will describe an evidence-based approach to the classification of BPD presence and severity and ongoing work that aims to develop a phenotype classification system for BPD. At the conclusion of this activity, learners will review BPD protocol in their unit and implement at least one strategy or technique to apply to diagnostic treatment criteria/selection.

Objectives

At the conclusion of this activity, the participant will be able to:

- Describe the available BPD diagnostic criteria.
- Discuss variability in BPD presentation and phenotype and methods to help distinguish differences in disease subgroup.

ACGME/ABMS Competencies

- Patient Care & Procedural Skills
- Medical Knowledge
- Practice-based Learning and Improvement

IOM Competencies

- Provide patient-centered care
- Employ evidence-based practice

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME or CNE credit for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
