

Metabolic Bone Disease of Prematurity Webinar

Internet Live Activity

Date: 05/24/2022

Time: 12:00 – 1:30 p.m. Pacific

Location: Live Webinar (hosted via Microsoft Teams)

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.50 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1.50 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Drs. Michael Kamitsuka and Timothy Wang, faculty for this educational activity, have no relevant financial relationships with ineligible companies to disclose. *FDA Disclosures*: none to report.

Dr. Annie Nguyen-Vermillion, Kimberly Champawat and Nicole Brenson, planners for this activity, have no relevant financial relationships with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

During this activity, presenters will provide the most up-to-date information regarding the etiology of metabolic bone disease of prematurity along with Vitamin D and review a proposal for an updated algorithm for screening and treatment of metabolic bone disease (MBD).

Objectives

At the conclusion of this activity, the participant will be able to:

- Define metabolic bone disease (MBD) of prematurity and epidemiology.
- Identify screening and treatments for MBD of prematurity.
- Describe the proposed algorithm for identifying babies in need of treatment for MBD.

ABMS/ACGME Competencies

- Patient Care and Procedural Skills
- Medical Knowledge
- Practice-Based Learning and Improvement

IOM Competencies

- Provide patient-centered care
- Employ evidence-based practice
