Commercial Support

There is no commercial support for this educational activity.

Overview

This session will help participants to build shared language, develop a deeper understanding of the experiences of LGBTQ people, especially related to healthcare, and learn tips for active allyship with opportunities for reflection.

Objectives

At the conclusion of this activity, the participant will be able to:

- Define key terms and concepts related to LGBTQ identity.
- Describe common experiences of the LGBTQ community and key opportunities for inclusion.
- Apply understanding on when and how to be an ally.

ACGME/ABMS Competencies

- Patient care and Procedural Skills
- Interpersonal & Communication Skills
- Professionalism

IOM Competencies

- Provide patient-centered care

Participation and Credit

Participants are expected to review all content in the video, access reference materials as needed for additional self-directed learning, take and score 75% or greater correct on the post-test, and complete the evaluation in order to earn *AMA PRA Category 1 Credit(s)*[™], or nursing contact hour(s).

There are no fees for participating in or receiving credit for this online educational activity. For information on the applicability and acceptance of credit for this activity, please consult your professional licensing board.
