Neonatal Intensive Care Nursing Certification: Review Course

Internet Live Activity

Date: 08/15/2022 – 08/16/2022

Time: 8:00 am – 5:00 pm CDT

Location: Live Webinar (hosted via Zoom)

Accreditation:

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 15.0 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Kathy Harrison, NNP, Thomas Rauth, MD, Patti Scott, NNP, and Chris Weir, RT, faculty for this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose. *FDA Disclosures:* None to report.

Jaya Sariga, NNP-BC and Nicole Brenson, planners of this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose.

Commercial Support:

There is no commercial support for this educational activity.

Overview:

This two-day course is designed for licensed registered nurses preparing to sit for the Neonatal Intensive Care Nursing Certification Examination offered by the National Certification Corporation (NCC). Content covered over the course of this activity includes a review of most common diseases of the acutely and critically ill neonatal patients within an intensive care environment. Test taking strategies are also discussed.

Objectives

At the conclusion of this activity, the participant will be able to:

- Discuss the risk factors, clinical presentation, diagnosis, and management of select neonatal diseases.
- Review of neonatal diseases, including etiologies, symptomatology, diagnosis and treatment strategies.
- Describe how maternal illnesses and maternal fetal complications can potentially affect the newborn.
- Identify test-taking strategies related to the Neonatal Intensive Care Nursing Certification Examination.

IOM Competencies

- Provide patient-centered care
- Employ evidence-based practice

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com/>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. You will have the option to email the certificate of attendance to your mailbox.
