

## TeleNeurology in the NICU: Why, How, & What Webinar

### **Internet Live Activity**

**Date:** 08/07/2024

**Time:** 04:00 – 05:00 p.m. Eastern

**Location:** Live Webinar (hosted via GoToWebinar)

### **Accreditation**

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *nursing contact hour*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

### **Mitigation of Relevant Financial Relationships**

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

### **Disclosure of Relevant Financial Relationships**

**Andy Kim, MD**, faculty for this educational activity, does not have any relevant financial relationship(s) with ineligible companies to disclose. *FDA Disclosures*: none reported.

**Timothy Biela, MD, Nicole Brenson and Jaya Sariga, NNP-BC**, planners of this educational activity, have no relevant financial relationships with ineligible companies to disclose.

### **Commercial Support**

There is no commercial support for this educational activity.

### **Overview**

This activity will provide a better understanding of inpatient teleneurology consultation service and how it can be utilized to optimize the care of sick newborns in the NICU with neurological disorders. At the conclusion of this activity, learners will critically review the current neurology assessment workflow in their unit to determine if adoption of teleneurology is beneficial and appropriate to implement within their patient population.

## **Objectives**

*At the conclusion of this activity, the participant will be able to:*

- Recognize the importance of therapeutic hypothermia program to a community and how a teleneurology service can help make the procedure feasible even in the context of a national child neurologist shortage.
- Identify the general workflow that utilizes a teleneurology service in practical, efficient, and effective ways.
- Apply the workflow specifically in the care of newborns undergoing therapeutic hypothermia.
- Appraise illustrative cases Pediatrix teleneurology consulted in the care of newborns with neurological disorders.

## ACGME/ABMS Competencies

- Patient Care & Procedural Skills
- Medical Knowledge
- Practice-based Learning and Improvement

## IOM Competencies

- Employ evidence-based practice
- Apply quality improvement

## ***Evaluation, Attendance and Credit***

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME credit or nursing contact hours for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
