

Obstetrics Grand Rounds: Late Preterm Antenatal Corticosteroids (ACS) Webinar

Internet Live Activity

Date: 06/20/2024

Time: 3:00 pm – 4:00 pm ET

Location: Live Webinar (hosted via Zoom)

Accreditation:

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live activity for a maximum of 1 *nursing contact hour*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Andrew Combs, MD, PhD, faculty for this educational activity, has no relevant financial relationship(s) with ineligible companies to disclose. *FDA Disclosures:* Off-label discussion of betamethasone and dexamethasone.

Jaya Sariga, NNP-BC and Nicole Brenson, planners of this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose.

Commercial Support: There is no commercial support for this educational activity.

Overview: The monthly Obstetrics Grand Rounds Series will present topics on diagnosis and management of normal and complicated pregnancy, including routine and advanced obstetrical ultrasound. The series aims to review evidence-based standards of care and to provide contemporary, state-of-the art updates on topics where new information is available. At the conclusion of the activity, learners will implement at least one strategy, new technique(s), or intervention(s) to identify specific findings of disease(s) to assist in clinical decision-making and antepartum management.

Objectives

At the conclusion of this activity, the participant will be able to:

- Discuss the benefits of late preterm ACS (340/7 -365/7 wks).
- Describe potential harms of late preterm ACS.
- Summarize international guidelines regarding late preterm ACS.

ABMS/ACGME Competencies: Medical Knowledge, Practice-based Learning and Improvement

IOM Competencies: Employ evidence-based practice

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME or CNE credit for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
