

The Future of ROP Monitoring Webinar

Internet Live Activity

Date: 05/01/2024

Time: 04:00 – 05:00 p.m. Eastern

Location: Live Webinar (hosted via GoToWebinar)

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Internet Live Activity for a maximum of 1 *nursing contact hour*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

J. Peter Campbell, MD, MPH, faculty for this educational activity, has the following relevant financial relationship(s) with ineligible companies to disclose: Grant or research support – Genentech (relationship ended within past 24 months); Ownership – Siloam Vision. *FDA Disclosures:* none reported.

Timothy Biela, MD, Nicole Brenson and Jaya Sariga, NNP-BC, planners of this educational activity, have no relevant financial relationships with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

A quality-of-care gap exists in the current management of retinopathy of prematurity (ROP). This activity will review ways to improve care both now and in the future.

Objectives

At the conclusion of this activity, the participant will be able to:

- Summarize the current standard of care for retinopathy of prematurity (ROP) screening, and the changing epidemiology of ROP worldwide.
- Describe the strengths and limitations of current imaging technology in ROP.
- Understand potential opportunities for improved care using advanced imaging technologies in the future.

ACGME/ABMS Competencies

- Medical Knowledge
- Practice-based Learning and Improvement

IOM Competencies

- Provide Patient-Centered Care

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME credit or nursing contact hours for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
