

The S.T.A.B.L.E. Program – Full-Length Provider Course

Live Activity

Date: 05/25/2022

Time: 8:00 – 5:25 PM PDT

Location: Puyallup, WA

Accreditation:

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Live Activity for a maximum of 8.25 *nursing contact hour(s)*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Janet Clark, NNP *Disclosure(s)* – I have no financial relationships to report. *FDA Disclosures:* None to report.

Stephanie Fox, ARNP *Disclosure(s)* – I have no financial relationships to report. *FDA Disclosures:* None to report.

Nicole Brenson, MS.Ed *Disclosure(s)* – I have no financial relationships to report.

Commercial Support:

There is no commercial support for this educational activity.

Overview:

The S.T.A.B.L.E. Program is a pre-transport stabilization, post-resuscitation course designed to assist caregivers in the care of newborns. This course is appropriate for health care professionals in all level nurseries and with all experience levels.

Objectives: At the conclusion of this activity, the participant will be able to:

1. Improve patient safety for infants by: (a) standardizing processes and approach to care; (b) encouraging teamwork; (c) identifying areas where medical errors can and do occur; and, (d) reducing and eliminating preventable adverse events and errors.
2. Organize this information using a mnemonic to assist with retention and recall of stabilization activities that are critical for the post-resuscitation / pre-transport care of sick newborns.

ANCC – IOM Competencies

1. Provide patient centered care
2. Employ evidence-based practice

Evaluation, Attendance and Credit:

Within pediatrix.cloud-cme.com, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. You will have the option to email the certificate of attendance to your mailbox.
