

Simulation Workshop

Live Activity

Date: 09/28/2022 – 09/29/2022

Location: Austin, TX

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Live activity for a maximum of 13.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Pediatrix Center for Research, Education, Quality and Safety is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The Pediatrix Center for Research, Education, Quality and Safety designates this Live activity for a maximum of 13.5 *nursing contact hours*. Participants should claim only the credit commensurate with the extent of their participation in the activity.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

Gillian Gonzaba, Sean Kurzweil and Jaclyn LeVan, faculty for this educational activity, have no relevant financial relationships with ineligible companies to disclose. *FDA Disclosures: none reported.*

Nicole Brenson, Diana Galvis and Jaya Sariga, NNP-BC, planners of this educational activity, have no relevant financial relationships with ineligible companies to disclose.

Commercial Support

There is no commercial support for this educational activity.

Overview

This workshop will address simulation methodology and principles to expand one's existing simulation program or help build a new program. Through this workshop, one will learn how to build a simulation from the ground up and incorporate patient safety strategies into one's simulation to improve patient outcomes.

Objectives

At the conclusion of this activity, the participant will be able to:

1. Summarize the educational theories supporting the use of simulation in medical education.
2. Describe the TeamSTEPPS strategies that can be evaluated in simulation.
3. Discuss which simulator will best fit the needs of their simulation goals and objectives.
4. Distinguish between traditional simulation and Rapid-Cycle Deliberate Practice (RCDP) simulation.
5. Identify the key performance indicators (KPIs) or metrics would be useful to demonstrate improvement.
6. Explain the importance of establishing psychological safety in simulation and debriefing.

ABMS/ACGME Competencies

- Practice-based Learning and Improvement
- Interpersonal and Communication Skills

IOM Competencies

- Work in interdisciplinary teams
- Employ evidence-based practice
- Apply quality improvement

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com/>, click “My CE” and then select “Evaluations and Certificates”. Follow the instructions complete the brief evaluation and record time spent. Once the evaluation is submitted, your CE certificate will be generated. The certificate will be automatically emailed to you. You’ll also have the option to save the certificate as a pdf.
