

Specialty Review in Neonatology

Live Activity

Date: 02/19/2024 – 02/24/2024

Location: Las Vegas, NV

Accreditation

The Pediatrix Center for Research, Education, Quality and Safety is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Pediatrix Center for Research, Education, Quality and Safety designates this Live Activity for a maximum of 45.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Pediatrics' (ABP) Maintenance of Certification (MOC)

Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 45.00 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Mitigation of Relevant Financial Relationships

The Pediatrix Center for Research, Education, Quality and Safety adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies within the 24 months prior to their involvement with the CE activity. All relevant financial relationships listed have been mitigated prior to the commencement of the activity. Beyond disclosure of financial relationships, faculty are required to disclose when they plan to discuss pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical.

Disclosure of Relevant Financial Relationships

The following faculty for this activity have relevant financial relationship(s) with ineligible companies to disclose:

Commercial Support

There is no commercial support for this educational activity.

Overview

Taught by subject matter experts and educators, this educational course covers the foundational and fundamental areas in Neonatal-Perinatal Medicine and serves to prepare attendees to take the subspecialty board examination.

Objectives

At the conclusion of this activity, the participant will be able to:

- Discuss the pathophysiology of the mother and neonate.
- Identify one (or more) neonatal pathophysiologic, diagnostic or clinical management concept(s) to improve patient outcome.

Evaluation, Attendance and Credit

Within <https://pediatrix.cloud-cme.com>, click My CE and then select Evaluations and Certificates. Follow the instructions to record attendance/time spent and complete the brief evaluation. **Completion of the evaluation within 30 days is required to receive CME credit for this educational activity.** You will have the option to email the certificate of attendance to your mailbox.
